

# T-GLOBAL TECHNOLOGY CO.,LTD

## REFERENCE FORMAT FOR MATERIAL SAFETY DATA SHEET

1. Product and company information Product name: THERMAL TAPE
Product code: Li-98P
Names, addresses, and phone numbers of the manufacturer or supplier: <b>T-GLOBAL TECHNOLOGY CO., LTD</b> <b>No.33, Ln. 50, Daren Rd., Taoyuan City, Taoyuan County 330, Taiwan (R.O.C.)</b>
Emergency contact phone numbers/fax numbers: <b>886-3-3618899 / 886-3-3665666</b>

### 2. Ingredients identification information

Pure material: Chinese and English name: Acrylic Resin 20~30%; Aluminum oxide(Al <sub>2</sub> O <sub>3</sub> ) 70~80%; Polyimide		
Synonyms:		
C.A.S. No. :		
The hazardous ingredient (% of the content):		
Mixture: Chemical property:		
Chinese and English names of The hazardous ingredients	Concentration or concentration ranges (% of contents)	Classification and hazard symbols of the hazardous material

3. Hazards identification information:	Adverse health effects: NO
The most	Environmental effects: NO
Important hazardous effect	Physical and chemical effects: NO
Main symptoms: NO	Specific hazards: NO
Hazard classification of the product: NO	

4. First-aid Measures: The first-aid measures for different exposure routes:
<ul style="list-style-type: none"> <li>Inhalation: NO</li> <li>Skin contact: Wash with the soap and water, contact the position.</li> <li>Eye contact: Open eyes to wash with a large amount of water.</li> <li>Ingestion : NO</li> </ul>

The most important symptoms and hazardous effects: NO
The protection of first-abiders: NO
Notes to physicians: NO

5. Fire-fighting measures: Suitable fire extinguishing media: Water , foam , the universe powder , carbon dioxide fire extinguisher can all
--

### T-Global Technology Co., Ltd

No. 33, Ln. 50, Daren Rd., Taoyuan City, Taoyuan County 33068, Taiwan

TEL: +886-3-3618899

FAX: +886-3-3665666

[www.tglobalthermal.com](http://www.tglobalthermal.com)

[www.tglobal.com.tw](http://www.tglobal.com.tw)

Specific hazards may be encountered during fire-fighting: NO	
Specific fire-fighting methods: NO	
Special equipment for the protection of firefighters: NO	
6. Accidental release measures: Personal precautions: NO	
Environmental precautions: NO	
Methods for cleaning up: NO	
7. Safe handling and storage measures: Handling: Accord with the putting and clicking of standard management of the storage.	
Storage: Accord with the putting and clicking of standard management of the storage.	
8. Exposure controls measures: Engineering control:	
<ul style="list-style-type: none"> <li>Control parameters:</li> <li>8 hours time weighted average exposure limits/Short-term exposure limits/maximum exposure limits:</li> </ul>	
<ul style="list-style-type: none"> <li>Personal protective equipment: NO</li> <li>Respiratory protection: NO</li> <li>Hand protection: NO</li> <li>Eye protection: NO</li> <li>Skin and body protection: Wear and protect gloves</li> </ul>	
9. Physical and chemical properties: Physical state: Solid state	Form: Slice
Color: WHITE	Odor:
PH value: slightly alkaline	Boiling point/boiling range:
Decomposition temperature:	Flashpoint :        of        co
	Test method:
	Open cup:
	Close cup:
Auto ignition temperature:	Explosion limits:
Vapor pressure:	Vapor density:
Density: 1.1(25°C)	Solubility: Insoluble
10. Stability and reactivity: Stability: Make and have no supposition stably at the room temperature	
Possible hazardous reactions occurring under specific conditions:	
Conditions to avoid: Burning of the direct fire source	
Materials to avoid: NO	
Hazardous decomposition products: NO	

**T-Global Technology Co., Ltd**

No. 33, Ln. 50, Daren Rd., Taoyuan City, Taoyuan County 33068, Taiwan

TEL: +886-3-3618899

FAX: +886-3-3665666

11. Toxicological information: Acute toxicity: NO	
Local effects: NO	
Sensitization: NO	
Chronic toxicity or long term toxicity: NO	
Specific effects: NO	
12. Ecological information: Possible environmental effects/environmental mobility: NO	
13. Waste disposal measures: Methods of waste disposal: The industry that retrieves raw materials person of silicon retrieves the waste material , there are regular recovery prices.	
14. Transport information: International regulations for transport: NO	
United Nation number (UN No): NO	
Domestic regulations for transport: NO	
Specific transport measures and precautionary conditions: NO	
15. Regulatory information: Applicable regulations: NO	
16. Other information:  Literature References	
Organization	Name: T-GLOBAL TECHNOLOGY CO., LTD
That prepared the MSDS	Address/Telephone: <b>No.33, Ln. 50, Daren Rd., Taoyuan City, Taoyuan County 330, Taiwan</b> <b>TEL:+ 886-3-3618899</b>
Person who	Job title: Factory director
Prepared the MSDS	Name: (signature) Frank
Date the MSDS	2013/09/12
Was prepared
